ABOUT ME

Detail-oriented **Graphic Designer & Publishing Professional** with **9+ years of experience** in layout, typesetting, and digital document remediation for print and interactive media. Skilled in leading end-to-end book production using Adobe Creative Suite and implementing WCAG/PDF accessibility standards. Currently expanding capabilities into UI/UX design, prototyping, and motion design to deliver engaging, user-centered digital experiences.

PROFESSIONAL EXPERIENCE

Aptara New Media Pvt. Ltd | Noida, Uttar Pradesh InDesign Operator (Oct 2023 – Present)

- Formatted layouts, typography, and imagery for children's books, delivering clean, engaging, and visually balanced publications.
- Managed multiple concurrent design streams under tight deadlines while ensuring strict quality control and reliable delivery.
- Remediated final PDF deliverables to strictly comply with accessibility standards, incorporating logical tagging, alt-text, and seamless navigation.

MPS Limited | Dehradun, Uttarakhand Senior Executive (Nov 2022 – Sept 2023)

- Transformed raw MS Word manuscripts into publisher-ready layouts following strict client specification sheets.
- Partnered with editorial teams under tight timelines to deliver print-ready, error-free proofs.
- Conducted preflight checks and QA reviews across multi-stage proofs to minimize post-production revisions.

Integra Software Services Pvt. Ltd | Puducherry Senior Paginator (Mar 2022 – Oct 2022)

- Managed end-to-end typesetting and book layout design, converting Word manuscripts into print-ready layouts.
- Liaised with authors, editors, and illustrators as primary design contact to execute age-appropriate visual styles.
- Performed multi-stage preflight checks to resolve font, layout, and image resolution issues prior to print.

MPS Limited | Dehradun, Uttarakhand Senior Executive (Nov 2020 – Feb 2022)

- Typeset complex multi-page publications according to custom grid systems and client specifications.
- Accelerated project turnaround times through cross-functional collaboration and streamlined pre-press checks.
- Designed and layout-formatted custom book covers, aligning front, spine, and back-cover jacket artwork with print-vendor specifications.

EDUCATION

Bachelor of Arts

Fakir Mohan University, Odisha
(May 2011 – June 2014)

Intermediate (Arts)

Agarpada College Agarpada, Odisha
(Apr 2009 – May 2011)

Secondary

Gopinath Jew High School, Gopinathpur, Odisha
(Mar 2009)

CERTIFICATIONS AND TRAINING

UI/UX Design Course

Uncodemy, Noida, Uttar Pradesh
(Feb 2025 – Sept 2025)

Graphic Design Course

Career Plus Graphic Design Academy,
Noida, Uttar Pradesh
(Feb 2014 – Sept 2014)

ODIA

Aptara New Media Pvt. Ltd | Noida, Uttar Pradesh

InDesign Operator (Dec 2019 – Oct 2020)

- Paginated raw manuscripts into structured InDesign templates adhering to high typographic standards.
- Produced marketing collateral, social media assets, and promotional graphics across digital and print media.

MPS Limited | Dehradun, Uttarakhand

Executive (Oct 2016 – Nov 2019)

- Applied core composition and page-budgeting rules to structure text documents into children's book layouts.
- Supported production teams in meeting strict press release deadlines through initial proofing and asset checks.

PROJECT HIGHLIGHTS

- **Children's Book Series:** Designed interactive book layouts tailored to age-appropriate visual styles, significantly improving visual flow and reader retention.
- **Math Textbooks:** Built complex mathematical layouts using MathType and InMath, ensuring high typographical accuracy and eliminating standard formatting errors.
- **PDF Accessibility:** Remediated digital publications to comply with global accessibility and WCAG guidelines for screen-reader usability.

KEY ACHIEVEMENTS

- Successfully executed end-to-end global publishing projects for high-profile clients including Pearson, Elsevier, Wiley, Scholastic, and Cengage.
- Streamlined production workflows and turnaround times by introducing reusable design templates and standardized layout practices.
- Maintained exceptional accuracy and minimal error rates across multi-stage preflight checks and final press proofs.

ADDITIONAL INFORMATION

- Proficient in ePUB (reflowable and fixed-layout) conversion and accessibility remediation workflows.
- Deep understanding of the book publishing workflow, from manuscript to print-ready/accessible digital file.
- Excels at troubleshooting complex layout challenges, especially in math-heavy publications.
